17. DATA PROTECTION

The processing of personal data of the competitors and registered support persons (see NoR 14.1) or another person legally bound to this Notice of Race in connection with the event shall be carried out, on the one hand, for the performance of the contractual relationship on the basis of this Notice of Race between the competitor as well as the registered support person and/or another person legally bound to this Notice of Race and the organizing authority (led by Kieler Yacht-Club e.V. as data controller) pursuant to Art. 6 (1) S. 1 (b) GDPR. On the other hand, the processing of personal data of the competitor as well as the support person and/or another person legally bound to this Notice of Race is carried out in order to maintain the legitimate interests of the organizing authority. The further data protection provisions, including the rights of the competitor as well as the registered support person and/or another person legally bound to this Notice of Race under the GDPR, can be found in the Privacy Policy available at <https://www.kyc.de/en/privacy-policy/>.

18. RISK STATEMENT / LIMITATION OF LIABILITY COGNOVITS CLAUSE

- 18.1. The responsibility for the decision to participate in a race or to continue with it is solely with the Person in Charge (as defined in RRS 46); to that extent the Person in Charge also accepts full responsibility for the crew. The Person in Charge is responsible for the qualification and the correct nautical conduct of the crew as well as for the suitability and the seaworthiness of the registered boat/board.
- 18.2. The responsibility for the decision to provide support to a competitor or to continue with it is solely with the registered support person (see NoR 14.1); to that extent the registered support person also accepts full responsibility for the crew on the support person vessel. The person in charge for the support person vessel is responsible for the qualification and the correct nautical conduct of the crew as well as for the suitability and the seaworthiness of the registered support person vessel.
- 18.3. The organizing authority (namely Kieler Yacht-Club e.V., Kiellinie 70, 24105 Kiel; Norddeutscher Regatta Verein, Schöne Aussicht 37, 22085 Hamburg), its legal representatives and/or vicarious agents shall be liable for damages, irrespective of the legal basis, only in case of intent or gross negligence or — limited to the damage foreseeable and contract-typical at the time of the conclusion of contract — in case of violation of essential contractual obligations. Essential contractual obligations are those obligations which must be fulfilled in order to make the proper execution of the contract (in this case this Notice of Race) initially possible, the violation of which jeopardizes the attainment of the purpose of the contract, and the observance of which the competitor ordinarily relies on. The limitation of liability shall not apply to claims for compensation of damages due to injury to life, body, or health or due to other legally compulsory liability offenses.
- 18.4. The competitor as well as the registered support person (see NoR 14.1) or another person legally bound to this Notice of Race acknowledges that the event is an outdoor event, so that the implementation, course and schedule of the individual events and races can be influenced by the weather conditions. In addition, the organizing authority may be bound by the specifications and rules of national and international sports federations regarding the implementation of the events and races. The schedule stated in NoR 8 for events and races held during the event is therefore non-binding.
- 18.5. The organizing authority therefore reserves the right, in particular, in cases of force majeure or on grounds of administrative orders or for safety reasons, to make changes in the realization of the events and races of the event, to postpone the events and races of the event or to cancel the events and races of the event. This does not constitute any liability by the organizing authority towards the competitor and/or the registered support person (see NoR 14.1) and/or another person legally bound to this Notice of Race, if the reasons for the changes, postponement or the cancellation do not result from a wilful or grossly negligent behaviour of the organizing authority. The unlimited liability in case of the violation of essential contractual obligations or claims for compensation of damages due to injury to life, body, or health or due to other legally compulsory liability offenses in accordance with NoR 20.3 remains unaffected.
- 18.6. World Sailing's effective Racing Rules of Sailing (RRS) and all other rules as defined in RRS Definition 'Rule' (including all other documents governing the event listed in NoR 1.1) in the version that are current at the time of the event are to be complied with and are explicitly recognized.
- 18.7. German law applies with regard to the implementation of this Notice of Race.
- 18.8. Competitors and registered support persons (see NoR 14.1) shall present a signed and completed consent and declaration form at registration. For competitors and/or registered support persons (see NoR 14.1) under 18 years of age these forms shall be signed by the parents or guardians. The form to be used will be made available on the entry platform at the conclusion of the entry process.
